(Verse 1)

Iâ€™ve seen the devils face in the center of my eyes  
He greets me once again with that same old lame  
disguise  
He drains my shallow soul and just rids me of my core  
Every time I think heâ€™s gone he keeps coming back for  
more

(Hook)

Iâ€™m constantly breaking, these chances Iâ€™m taking  
So sick of the waiting, my life Iâ€™ve been patient  
Iâ€™m playing with flames, evil feeling my brain  
Think Iâ€™m going insane when Iâ€™m dealing with Satan

(Verse 2)

Iâ€™ve seen the brightest lights and the darkest of the  
days  
Been searching for whatâ€™s right to exhaustion Iâ€™m a  
slave  
This is just my description of a life that I despise  
Every time I think Iâ€™m done, itâ€™s just keeping me alive

(Hook)
