When the problems in your life
Leave you in despair
Just know that God he won't put more on you
than you can bear
And even when it seems like
he doesn't hear an answer your calls
just knowing keep on believing
he's in the midst of it all

So when you're in a storm and your storm clouds
remain
remember storm clouds are reasons
to praise him in the rain

When the problems in your life
Leave you in despair
Just know that God he won't put more on you
than you can bear
and even when it seems like
he doesn't hear an answer your calls
just knowing keep on believing
he's in the midst of it all

Although you may have storm clouds of trials
Storm clouds of pain
Joy comes in the morning
Troubles they don't last always
He'll hear you when you call
and catch you before you fall

So when you're in a storm
and your Storm clouds remain
Remember storm clouds are reasons
to praise him in the rain

Praise him
Praise him
Praise him
In the rain

Hold on hang on in there
If you trust him

you can make it through the storm

So when you're in a storm
and your storm clouds remain
remember storm clouds are reasons
To praise him in the rain
