No no no no
No no no no
No no no no
I don't wanna fall in love with you baby

While you keep talking about the magic of your kiss
While you keep showing off how tough you seem to be
I just don't care for your lazy words tonight
So keep on talking baby, keep on dreaming
Of having me in your arms

No no no no
No no no no
No no no no
I don't wanna fall in love with you baby
[x2]

If I say it's 77, you say it's 33
If I talk about the fire, you talk about the water
And you don't care about my hidden secret desires
So keep on talking baby, keep on dreaming
Of having me in your arms

No no no no
No no no no
No no no no
I don't wanna fall in love with you baby
[x2]

I need a man who keeps me warm in the middle of a
winter storm
A gentleman diving deep till the bottom of my soul
But not, not, not you!

No no no no
No no no no
No no no no
I don't wanna fall in love with you baby
[x2]

No no no no

I don't wanna fall in love with you baby
[x2]
