How Can You See The Full Moon If You Stay At Home ?
How Can You Feel Hot And Dry If You Keep Drinking
Water?

You Tthink You Know Everything
You Feel You Got My Soul Inside Your Pocket
But The Sand Will Slip Through Your Hands
When The Wind Blows Strong

'Cause Baby You Miss The Main Things - About Me
While You Keep Showing The Little You Know - About Me
You Fail To Follow Every Step I Take - Inside Me
Yes You Miss The Main Things About Me
You Say That I Got Nothing To Hide...

How Can You Feel My Lips If You Don't Even Kiss Them ?
How Can You Savour The Sweet If You Don't Even Taste
It?

You Feel You Got The Best Of Me
You Think You Hold The Secrets Of My Soul
But The Sand Will Slip Through Your Hands
When The Wind Blows Strong

How Can You See The Full Moon If You Stay At Home ?
How Can You Feel Hot And Dry If You Keep Drinking
Water?

You Tthink You Know Everything
You Feel You Got My Soul Inside Your Pocket
But The Sand Will Slip Through Your Hands
Too Late... You Lost Me
