When the crowd wants more I bring on the thunder  
Cause you got my back and I'm not going under  
You're my point, your my guard, your the perfect chord  
And I see our names together on every billboard

We're headed for the top, we got it on lock  
We'll make 'em say hey  
And we'll keep rockin' Oh

There's no way I can make it without you  
Do it without you  
Be here without you  
It's no fun when you're doing it solo  
With you it's like whoa  
HAPPY and I know

Cause I own this dream  
Cause I got you with me

There's no way I can make it without you  
Do it without you  
Be here without you
