I set out on a narrow way many years ago hooping I  
would  
Find true love along the broken road but I got lost a  
Time or two wiped my brow kept pushing through  
couldn't  
See how every sign pointing straight to you

And every long lost dream led me to where you are  
and  
Others who broke my heart they were like northern  
stars  
Pointing me on my way into your loving arms this much  
I  
Know is true that God bless the broken road and lead  
me  
Straight to you

Yes he did I think about the years I spent just passin

Through I'd like to have the time I lost and give it back  
To you and you just smile and take my had you've been  
There you understand it's all part of a grander plan  
that  
Is comin true

And every long lost dream led me to where you are  
and  
Others who broke my heart they were like northern  
stars  
Pointing me on my way into your loving arms this much  
I  
Know is true that God bless the broken road and lead  
me  
Straight to you

That god bless the broken road and led me straight to  
you
