(Chorus)

Aye shawty shawty
Don't you wanna be mine
We can cruise the world
I need you by my side
We can dance all night
And party like yeah
Wake up in the mornin'
Do it do it again

Aye shawty shawty
Don't you wanna be mine
We can cruise the city
If your ready to ride
We can live for the moment
We yellin' out ya
Wake up in the morning
Do it do it again

You lookin like a star tonight
They all know who you are tonight
Whatcha doin' later on
I don't mean tonight
I'm talkin' bou't your life yeah

Aye girl you lookin' like a star tonight
Won't you jump up in my car tonight
We can do it all
Is this your favorite song
Aw yeah yeah yeah

Already I love you already
We gotta do it we gotta do it all
Dressed already standing by the door
See that's why i love you

You be ready to roll

Aye shawty shawty
Don't you wanna be mine
We can cruise the world
I need you by my side
We can dance all night
And party like yeah
Wake up in the mornin'
Do it do it again

Aye shawty shawty
Don't you wanna be mine
We can cruise the city
If your ready to ride
We can live for the moment
We yellin' out ya
Wake up in the morning
Do it do it again like

See girl it's feelin like the stars in line
So open up your heart tonight
And we can do the most
Starting with a toast
Let's raise 'em up to us
Aye girl I wanna turn it up tonight
So we can do whatever you like
I got the radio on
I say is this your favorite song
She said yeah yeah yeah

Already I love you already
We gotta do it we gotta do it all
Dressed already standing by the door
See that's why i love you
You be ready to roll

Aye shawty shawty
Don't you wanna be mine
We can cruise the world
I need you by me side
We can dance all night
And party like yeah
Wake up in the morning

Do it do it again

Aye shawty shawty
Don't you wanna be mine
We can cruise the city
If your ready to ride
We can live for the moment
We yellin' out ya
Wake up in the morning
Do it do it again! like

(Bei Maejor)

Like aye shawty shawty
Not tryin to make you property
But if you was mine
I'd be sure to treat you properly
I know sometimes love isn't always
All what it's made out to be
This could be what ours
Could be willing and hourly
I know them other guys
Tryin' to string you along
Tryin' nice line but
I'ma sing you a song
Said it's hard to open up
Well your heart's been mistreated
But i got just what you needin'
I'm just hoping you'll recieve it
And we can do it big all over the world
Got the diamonds and the pearls
All over my girl and
I ain't really into favoritism
But if I was you'd be my favorite
Sendin' you a text
I hope you save it yo

Aye shawty shawty
Don't you wanna be mine
We can cruise the world
I need you by my side
We can dance all night
And party like yeah
Wake up in the mornin'
Do it do it again

Aye shawty shawty
Don't you wanna be mine
We can cruise the city
If your ready to ride
We can live for the moment
We yellin' out ya
Wake up in the morning
Do it do it again
