Oh yeah, oh yeah  
All I care about is my girl  
And the city that she's from  
I'mma sing this 'till she feels it  
I'mma fight until I've won  
I just wanna say what's up  
Please just tell me what I've done  
'Cause I'm only getting older  
Somebody should've told ya

I want ya, you know I want ya  
Yeah I want ya (yeah)  
You know I want ya I still love ya  
She's on my mind  
And I got to think it could be her  
Or this dream depending on  
What I wanna wish  
I could have money or feel her kiss  
You know I want ya (yeah)  
You know I want ya...yeah

You know who I like  
Oh yeah it's you oh yes it's you  
Oh yes it's you (yeah)  
You just need to listen  
I'll teach you how to fix it  
'Cause your the only one  
'Cause I don't trust these women  
I don't, I don't trust these women  
'Cause they all have me trippin'  
'Cause your the only one  
I don't trust these women  
'Cause they all have me trippin'  
'Cause your the only one  
'Cause I don't trust these women

I don't, I don't trust these women  
'Cause they all have me trippin'  
'Cause you're the only one

(Chorus)

Oh woah Taylor Issues  
Oh woah oh woah Taylor Issues  
Oh woah Taylor Issues oh woah  
Oh yeah oh yeah (yeah ah yeah)  
I'm callin' my girl, I can feel her hating  
Taylor I love you baby yeah  
Oh yeah uh yeah

ACM, check me out  
Coming live, coming out from my house  
Spittin' game, spittin' game, spittin' real good  
But I can tell this really isn't working out  
Same dude that you knew way back when  
You acting like it's somebody you don't know  
Tell me how the heck we're suppose to stay friends  
When you don't text me back on your cell phone  
I could tell, I could tell, I could tell  
Certain Taylors don't like me no more  
Other girls don't excite me no more  
Guess they don't make them like you no more  
Uh, you can look me in my eyes and say I ain't myself  
Look, see what you created, now I hate myself  
But still, put them girls in and tell them all  
To put there cellphones on the table where we see 'em  
I'm all day with them, a.m to the p.m, Taylor's hatin'  
I just wish they would say when I see her all

That's that ish that drives me crazy  
And that's all that I've been gettin' lately  
And that's probably why I'm scared to put the time in  
I just wanna hug, but that's something that I won't get  
Lookin' for some things that I think  
That I can find them in you, in you

(Chorus)

Oh woah Taylor Issues  
Oh woah Taylor Issues  
Oh woah Taylor Issues  
Oh woah Taylor Issues

Oh woah, oh woah, oh oh  
Oh yeah, oh yeah (yeah ah yeah)  
I'm callin' my girl, I can feel her hatin'  
Taylor I love you baby, yeah ah yeah ah yeah  
Call up my girl I can...Call up my, uh
