Ain't no other Shawty I've heard of baby,
Put a million on that that that that,
I took my world and gave you half of it baby,
I bet I'll never get it back back back.

I love your style,
I love your smile,
I love your eyes,
They look like diamonds to me!
But you could have it all,
All of it baby,
In your favourite store throwin stacks, stacks.

Cos you know that all my dreams
Are coming true yeah
And I know-ow-ow-ow-ow-ow
I'll never feel the way feel girl,
With you oh baby you girl you,
You oh baby you yeah you,
You oh baby you yeah you,
You oh baby you yeah you.
