I-I'm feeling your thunder
The storm's getting closer
This rain is like fire
And my-my world's going under
And I can't remember
The reason that you got off the line

You're moving on, you say
Here I stay
I'll take this pain
Yeah, I can't, I can't

But what about love?
What about our promises?
What about love?
You take it off and leave me nothing

What about love?
What about us 'til the end?
What about love?
You cut my wings, now I am falling
What about love? What about love?

Why you're colder than winter?
You're switching the picture
You used to be perfect, yeah.
Once you're hot like the summer
Please help me remember
The reason that you said "bye bye bye"

You're moving on, you say
Here I stay
I'll take this pain
Yeah, I can't, I can't

But what about love?
What about our promises?
What about love?
You take it off and leave me nothing

What about love?

What about us 'til the end?
What about love?
You cut my wings, now I am falling
What about love? What about love?

Uh uh uh uh uh uh uh uh What about-what about love?
Uh uh uh uh uh uh uh uh What about-what about love?
Uh uh uh uh uh uh uh uh What about-what about love?
Uh uh uh uh uh uh uh uh What about-what about love?

You're moving on, you say
Here I stay
Watching every night get colder

You're moving on, you say
Here I stay
I'll take this pain
Yeah, I can't, I can't

But what about love?
What about our promises?
What about love?
You take it off and leave me nothing

What about love?
What about us 'til the end?
What about love?
You cut my wings, now I am falling

What about love? (what about-what about love? what
about)
What about love? (What about-what about love? what
about)

What about love?
