Hey little momma oohh your a stunner
Hot little figure yes your a winner and
I'm so glad to be yours
Yous a class all your own and
Hey little cutie when you talk to me
I swear the whole world stops
Your my sweetheart and
I'm so glad that your mine
You are one of a kind and
You mean to me what I meant to you and
Together baby there is nothing we won't do
Cuz if I got you
I don't need money
I don't need cars
Girls your my heart
And oh
I'm into you and girl no one else would do
Cuz with every kiss and every hug
You make me fall in love
And now I know I can't be the only one
I Bet there's hearts all over the world tonight
with the love of there life who feel
How I feel when I'm
With you
With you
With you
With you
With you girl
With you
With you
With you
With you
With you oh
I don't want nobody else
Without you there's no one left and
Your like Jordans on a Saturday
I gotta have you an I cannot wait now
Oohh little shawty you say you care for me
You know I care for you
You that I'll be true
You know that I won't lie
You know that I will try to be your everything

Cuz if I got you I dnt need money
I don't need cars girl you my heart
Yeah oh I'm into you and girl no one else will do
With every kiss and every hug you make me fall in love
And now I know I can't be the only one
I bet theres hearts all over the world tonight
With the love of there life who feel what I feel
When I'm
With you
With you

With you girl
