Flip the switch, turn on the lightning.
Get it right, show 'em how it's done.
Freak it up, no matter how you dress that song.
Girl you know, that you got a number one.
Go with it, you got 'em where you want 'em.
Drop the beat, they need to hear your sound.
Play it up, it's coming down to you right now.
They wanna know, know, know,
Your name, name, name.
They want the girl, girl, girl,
With game, game, game.
And when they look, look, look,
Your way, way, way.
You gotta make (make) make (make)
Make 'em do a double take.
Make 'em do a double take
