You're always on my mind  
I think about you all the time

Umm... no!

Let's not talk about it  
Drama we can live without it  
Catch a wave if we're bored  
There's a clock we'll ignore  
Find a way around it

Hey, girl, I can tell there's something  
Even when you say it's nothing  
When you're playing with your hair  
Like you just don't care  
It's a tell, you're bluffing

Now please don't take this the wrong way.

I love the things you do  
It's how you do the things you love  
But it's not a love song  
Not a love song  
I love the way you get me  
But correct me if I'm wrong  
This is not a love song  
Not a love song

I love that you buy the tickets  
And you don't make me watch your chick flick  
We've come so far,  
Being just the way we are  
If it's not broke, don't fix it

I can't guess the meaning,  
When you don't say what you're feeling  
If you got a broken heart,  
You can punch me in the arm  
Now that's what you needed (That's just what you  
needed)

Don't take this the wrong way (Nope)

I love the things you do  
It's how you do the things you love  
But it's not a love song  
Not a love song  
I love the way you get me,  
But correct me if I'm wrong  
This is not a love song  
Not a love song

I don't really love ya you always lick my pussy

I love the things you do  
It's how you do the things you love  
The way you sing it, put me through it  
I guess I always knew it (I Always knew) I love the way  
you get me  
But correct me if I'm wrong  
This is not a love song (not a love song)  
Not a love song (And one more time)

I love the things you do  
It's how you do the things you love  
But it's not a love song (No, definitely not a love song)  
Not a love song  
I love the way you get me  
But correct me if I'm wrong  
This is not a love song (It's not a love song)  
Not a love song  
This is not a love song (It's not a love song)  
Not a love song  
This is not a love song (It's not a love song)  
Not a love song
