I can't live with someone who's always upset with me  
I can't live having this problem at 3:03  
I can't live with human being like you  
I can't live  
oooooo  
I can't live

I don't know what's goin on  
ur always treating me wrong  
I felt a connection between us  
but I guess it entirely went down oo  
down in that drain  
oo

I can't live with someone who's always upset with me  
I can't live having this problem at 3:03  
I can't live with human being like you  
I can't live  
oooooo  
I can't live (2x)

When we kissed when we hugged i thought you truley  
loved me  
I was sad so mad but I guess it happened for the best  
La La la la
