(VERSE 1)

We live our daily lives in silence as the time flies by
But tonight, I'm rising up to let it all out
My every hope and doubt
And everything I've dreamed about
It's mine, to seize in this moment now
Before the light is gone
Before the final curtain is drawn
I'm calling out to everyone

(CHORUS)

Can you hear me screaming?
Can't you see we're bleeding?
I'm calling out to everyone (everyone!)

Lost all sense and feeling
But the pain is only fleeting
All is clear when fear is gone

This is a wakeup call
The choice is yours to take
You gotta know that
Destiny is what you make

(VERSE 2)

I've seen it in your eyes
A longing for the changing tides
Well it's time, it's time to cross that line
The time to all be strong
To make a right from all these wrongs
I'm calling out to everyone

(FINAL CHORUS)

Can you hear me screaming?
Can't you see we're bleeding?
I'm calling out to everyone (everyone)

Lost all sense and feeling
But the pain is only fleeting
All is clear when fear is gone

This is a wakeup call

The choice is ours to take
You gotta know that
Destiny is what we make
