(VERSE 1)

Look in the sky, the circle is rising
The Second Seal's broken, The Red Horse riding
The wolf is at your door and there's no hiding
Get ready for the crimson to pour
Yeah, this is war

(CHORUS)

WAR (it's war)
WAR (that's right)
We've come to settle the score
So now, this is war

(VERSE 2)

There's no surrender, you will expire
All the paper tigers have caught on fire
We're piling up the bodies and there's your
pyre
You really should have listened before
Now this is war

(CHORUS 2)

WAR (it's war)
WAR (that's right)
We've come to settle the score
So now, this is war
WAR (it's war)
WAR (right!)
No mercy, no bargains, no more
This is War

(BREAKDOWN)

Soldiers prepare to engage in 3, 2, 1 "GO!
SQUAD UP!

(PRAYER)

Heavenly Father, give me the strength to do what I
must
For myself, my people, and those without a voice to
defend themselves
In the name of freedom,
AMEN

(ENDING)
You wanna take us on?
You better bring an army!
