(VERSE 1) lâ€<sup>™</sup> ve spent years on the scene and lâ€<sup>™</sup> ve done my time I was never given anything, lâ€<sup>™</sup> ve earned whatâ€<sup>™</sup> s mine I defy all lines, I will not retreat You canâ€<sup>™</sup>t buy me, I spit right in the face of defeat

This is my class; Top Brass, a bold breed A caliber conceived, birthed and born to lead To be the first pick, first string, first in, front line Screaming into the sky, "The World is Mine!â€[]

I define defiance, represent rebellion Embody true autonomy, have been through hell And still do what I choose, been battered and bruised Yeah lâ€<sup>™</sup> ve taken many beatings and gladly paid all my dues

But I refuse to dummy down and follow the herd lâ€<sup>™</sup> m gonna say what I believe and stand by my word See, lâ€<sup>™</sup> ve never known the taste of a silver spoon Never took the blue pill, not to mention l' m immune

Canâ€<sup>™</sup> t be controlled, wonâ€<sup>™</sup> t do what lâ€<sup>™</sup> m told lâ€<sup>™</sup> m not a number, a name tag, or fit into a mold As my story unfolds I will proudly stand Forever unapologetically; I donâ€<sup>™</sup>t give a damn This isâ€!

(CHORUS) WHO I AM (what I believe) WHO I AM (with every breath I breathe) WHO I AM (tried and true) The only thing to be in this world is you

## (VERSE 2)

Substance, with every single syllable I bring â€<sup>~</sup>cause you can talk all day long and never say a thing We donâ€<sup>™</sup> t even need the music for me to convey l' m not playing

lâ€<sup>™</sup> II write it out in Braille, you can feel what lâ€<sup>™</sup> m

saying THAT'S REAL

No facade, I will never be part of propped up pop propaganda, fake art With no heart, no soul, I cannot be sold l' II be the bright light in a dark mine that' s black as coal

Whether lâ€<sup>™</sup> m mocked, blocked or knocked – still lâ€<sup>™</sup> ll never stop Like a rock, as consistent as hands on a clock You can bet lâ€<sup>™</sup> m gonna be locked, loaded, ready for a test I donâ€<sup>™</sup> t walk and talk, I DO better than the best.

No vest on my chest, lâ€<sup>™</sup> m not afraid to die lâ€<sup>™</sup> ve been blessed, so I live every minute lâ€<sup>™</sup> m alive And I take this vow; while lâ€<sup>™</sup> m here above ground NEVER WILL I EVER BACK UP OR BOW DOWN

(BRIDGE)

When death comes to get me lâ€<sup>™</sup> ve got no regrets I threw it all on the table when I placed my bet Said it all, did it all, and lâ€<sup>™</sup> d do it again just so… SO THE WORLD WILL KNOW
