Hey boy, do you feel me  
Wanna get into the beat  
Wanna dance non-stop  
Step into the heat, baby make it hot  
Hey boy, are you with me  
Wanna take you to a place

Where the beat don`'t stop  
I can feel the base kicking in my heart

Gonna take a trip and I know it sounds bizarre  
I only need your body, boy don't need your heart  
Wanna feel your touch and I wanna stroke your skin  
It only takes this one kiss to enter the stars

Come a little closer I won`'t break your heart  
Just wanna taste your love  
Can you measure up up up  
Come a little closer I won`'t break your heart  
Just wanna rip it off  
Can you measure up up up

So boy, are you there yet  
Wanna get into the crowd  
Wanna pick you up  
Gonna make it loud  
So you know what`s up

Gonna take a trip and I know it sounds bizarre  
I only need your body, boy don't need your heart  
Wanna feel your touch and I wanna stroke your skin  
It only takes this one kiss to enter the stars

Come a little closer I won`'t break your heart  
Just wanna taste your love  
Can you measure up up up  
Come a little closer I won`'t break your heart  
Just wanna rip it off  
Can you measure up up up

Oh oh  
Can you measure up up up

Oh oh  
Can you measure up up up  
Let`s get it started now  
It`s getting hotter now  
Let`s do it till the sun comes up up up  
Let`s get it started now  
It`s getting hotter now  
Let`s do it till the sun comes up up up
