Holy father - death to you!
Bastard son - fuck you, too!
Eden's garden - soon to burn!
Words of Satan - we will learn!

We are spiting on your grave
There is no one you can save
There is no one to praise your name
Feeling only hate and shame
Out from Hell you'll never come
Because you're only fuckin' scum!

Christ - fucking - scum!
Christ - fucking - scum!
Christ - fucking - scum!
Christ - fucking - scum!

Our salvation - bunch of lies!
Virgin mother - raped she cries!
Holy kingdom - land of shit!
Son of god - bloody meat!

We are spiting on your grave
There is no one you can save
There is no one to praise your name
Feeling only hate and shame
Out from Hell you'll never come
Because you're only fuckin' scum!

[Lead: Bart]

Christ - fucking - scum!
Christ - fucking - scum!
Christ - fucking - scum!
Christ - fucking - scum!

Christscum damned forevermore
Name of Satan we adore!
Christscum damned forevermore
Name of Satan we adore!
