Out of the abyss  
Marching proud  
Hell's legions  
Lucifer's hounds

No more  
Centuries of tyranny!  
No more

A call to arms  
Gather for war  
On his command  
Bringing the storm

No more  
Centuries of tyranny!  
No more  
Myth of bastard Christ!

Storm of vengeance  
For the fucking god of lies  
Storm of war  
For the fucking Christian hypocrites

No time to repent  
Hate is unbound  
Horns mark our way  
Death is all around

This is vengeance  
For the fucking god of lies  
This is war  
For the fucking Christian hypocrites

No more  
Centuries of tyranny!  
No more  
Myth of bastard Christ!  
No more  
Centuries of tyranny!

A sign of the horns  
Is our battle sign  
By seven deadly storms  
The victory is regained

Forever bliss  
To the holy scum!  
Eternal slavery  
For god and his lambs!
