I didn't take no shortcuts  
I spent the money that I saved up  
Oh, Momma running out of luck  
Like my sister, don't give a fuck

I wanna steal your innocence  
To me, my life, it just don't make sense  
Those strange manners, but I loved 'em so  
"Why won't you wear your new trench coat?"

I just want to turn you down  
I just want to turn you around  
Oh, you ain't never had nothin' I wanted, but...  
I want it all  
I just can't figure out...  
Nothing

And all together it went well  
We made pretend we were best friends  
Then she said, "Oh, you're a freak"  
"They ordered me to make mistakes"  
Together again, like the beginning  
It all works somehow in the end  
The things we did, the things you hide  
For the record it's between you and I

Oh, I didn't take no shortcuts  
I spent the money that I saved up  
Oh, Momma running out of luck  
Like my sister, don't give a fuck

I wanna steal your innocence  
To me my life, it just don't make any sense  
Those strange manners, but I loved 'em so  
"Why won't you wear your new trench coat?"

I just want to misbehave  
I just want to be your slave  
Oh, you ain't never had nothing I wanted, but...  
I want it all  
I just can't figure out...  
Nothing

And all together it went well  
We made pretend we were best friends  
Then she said, "Oh, I can wait"  
They ordered me to make mistakes  
Together again like the beginning  
It all works somehow in the end  
The things we did, the things you hide  
And for the record, it's just between you and I
