Uh,

Let me get that,

Let me get that, ooh

I get it when I get that, ooh

I spend it when I whip that

Flossin' on them haters,

It's that boss - the bitch, that caker

Trick's dad's born to tip that shaker

He's forfeiting all that paper

Niggas coughing off that 8th of

I want to hit them vapors

It's that sporty bitch that game 'em

They calling me Super Sega, hit that

I'm just really out here livin'

Something like the new edition

They say I'm poison, what's the difference?

BBD, Michael Bivins

All my bad bitches do it, bad bitches do it

All my bad bitches do it, bad bitches do it

All my bad bitches do it, bad bitches do it

All my bad bitches do it, bad bitches do it

I'm just stunting in stilettos

Holla playa hello

All them dusty bitches jello

I'm rising, I split that ghetto

It's that time, look at that bezel

Dining with that cello

Freaky fine, a China fellow

He pumping banana yellow, get that

Let me get that, let me get that, ooh

Want to spit that, I'm a spit that, ooh

Want to hit that, let me hit that, oooh
I get it when they get that, oooh
I spend it when they spend that, oooh

I spend it when they get that, oooh
Fine, feminine, I whip that woop
Dram- drama and niggas get that deuce
Rambamalam flip that loot
Gam champ - her jiggy jam on loop
Damn, 'fam, what's your man gon' do?
I get it when whip that woop
I spend it when they spend that loot

Wilding with my bitches
I be styling with my bitches
Pretty eyes and long extensions - they smiling in all them pictures

I be rising with my bitches
Riding with my bitches
We the finest of them bitches
We diamonds, it's diamond district
Get that ice, nigga, ice, nigga
Bitch want to freeze like white winter
She need the G's, that price went up
She need to see that bright shimmer
He want to see that nice

Want to fit that slice, want to see that spice simmer
She want it with that white nigga
Peachy-pinky-piped nigga

Be's what it be's "little breeze by the sea" -AZ been about that life, nigga

Tits out with your wife, nigga
I'm bringing out the dyke in her
XOXO fine, scissor sister, 69 whip that

I get it when I get that
I spend it when I whip that

Let me get that,
Let me get that, oooh
When I spit that, I'm a spit that, oooh
When I hit that, let me hit that, oooh
I get it when I get that, oooh
I spend it when I spend that, oooh

I'm just really out here living
Something like a New Edition

They say I'm poison, what's the difference?
