This is the day, the hour, the time I give it all away to  
You  
I wanna say I'll go Your way, living my life for  
Something real  
I can't survive, I can't go on if I'm with- out You by my  
Side  
I wanna spend eternity with You  
You've turned my world upside down  
My life is spinning 'round You now, all of me, all for  
You  
I'll let my light shine for You  
Nothing's gonna stop me now, I'm living for You

You've turned my world upside down  
My life is spinning 'round You now, all of me, all for  
You  
I'll let my light shine for You  
Nothing's gonna stop me now, I'm living for  
You've turned my world upside down  
My life is spinning 'round You now, all of me, all for  
You  
I'll let my light shine for You  
Nothing's gonna stop me now, I'm living for You
