(Chorus)

Listen now, I hip you, hip you now when I whistle
Whistle out, I'm gonna switch you, lift you, get when I
hit you
With this smile, I'll make you, make you wild now, when
I'm with you
With you now I can't forget you, get you now

(Verse)

Hey, hi, hello, hello, what's up my oh me oh boy
What's word, could I call ya? I've laid
I'm the one, I'm from New York
My oh mi amore, who told you could, look so good
Who was it in line right next to me
So I can start the fire before I let you in
Ooh my love, my luxury's waiting
If you want, you want to stay
Let me get you urging on, whisper, whisper boy
You looking lovely, hey you know boy that's why
I wanna be your lady la-la-lay-low
My luxury you are and you know what I want,
If I could, if I could, if I could
I'm gonna hip you now

(Chorus)

Listen now, I hip you, hip you now when I whistle
Whistle out, I'm gonna switch you, lift you, get when I
hit you
With this smile, I'll make you, make you wild now,
when I'm with you
With you now I can't forget you, get you now

(Verse)

Oh, took a trip, took a book, took three friends
This bitch said it's open season
This Miss been alone and she been
Looking for some gentlemen and
I'm hoping he been
Feeling what I'm feeling and I hope that he can
Chill up in the Villa for the whole damn weekend
Just coast with her, put your hands on the figure,
Now you're groping her, groping her

(Chorus)

Listen now, I hip you, hip you now when I whistle
Whistle out, I'm gonna switch you, lift you, get when I

hit you
With this smile, I'll make you, make you wild now, when
I'm with you
With you now I can't forget you, get you now
(Bridge)
I swear I'mma treat you good baby
Keep up my hair, if you leaving me baby
It'd be a nightmare
I'mma make you name and keep you right here oh, oh
Let me get you urging on, whisper, whisper boy
You looking lovely, hey you know boy that's why
I wanna be your lady la-la-lay-low
My luxury you are and you know what I want,
If I could, if I could, if I could
I'm gonna hip you now
(Chorus)
Listen now, I hip you, hip you now when I whistle
Whistle out, I'm gonna switch you, lift you, get when I
hit you
With this smile, I'll make you, make you wild now, when
I'm with you
With you now I can't forget you, get you now
