VERSE 1

Jesus Christ, I worship and adore You
Every day I live I'm living for You
What else can I say, You've overtaken me
Every day with You is getting better
Every word from You is like a treasure
Giving all of me and finding more of You

CHORUS

God, You're taking over all of me, I'm letting go so
You can come and have Your way in me
I leave it all behind me 'cause Jesus saved my life
Now every day I worship You, my King

VERSE 2

Jesus Christ, I thank You for the love You've
Given me, though I deserve nothing
Everything I have, I owe it all to You
Nothing that this world has got to offer
Satisfies my soul, I still hunger
Pouring out my heart, I'm filling up with You

CHORUS

God, You're taking over all of me, I'm letting go so
You can come and have Your way in me
I leave it all behind me 'cause Jesus saved my life
Now every day I worship You, my King
God, You're taking over all of me, I'm letting go so
You can come and have Your way in me
I leave it all behind me 'cause Jesus saved my life
Now every day I worship You, my King

VERSE 3

Jesus Christ, I worship and adore You
Every day I live I'm living for You
What else can I say, You've overtaken me

CHORUS

God, You're taking over all of me, I'm letting go so
You can come and have Your way in me
I leave it all behind me 'cause Jesus saved my life
Now every day I worship You, my King
