Real

Saved by grace we found in You, we love to tell our
Story

How You made our lives brand new, following You only
We are walking in Your truth, living for Your glory
Now we resonate with You
We will stand as one for the King of the world
Let salvation come, salvation come

CHORUS

Real love has changed us, real hope invade us
You illuminate us
We've got a world to change, they gotta hear His Name
Real life is freedom, so now with freedom we will run
We will be a witness, real love, real life we'll

Illuminate

(1st ending)

(Repeat Verse & Chorus)

CHORUS

Real love has changed us, real hope invade us
You illuminate us
We've got a world to change, they gotta hear His Name
Real life is freedom, so now with freedom we will run
We will be a witness, real love, real life we'll
Illuminate

CHORUS 2

I'm not ashamed, I'm not afraid, real love, real life
We'll illuminate
I'm not ashamed, I'm not afraid, real love, real life
We'll illuminate
(Repeat three times)
