[Verse 1]

Yeah, Yeah, Yeah

I'm on that Marilyn, she got that Adam's Apple
and she asked about that fashion
and we passed her with that laughter and
Passed her whacker friend, peace to the geese with
that coverin'

If they the geese that act up then it's beaks in the
streets and feathers and

She put a decent effort in, but she at the precinct
hemorrhaging

Bring it to these bitches like Alpo

Bitch is getting stitches if she under my scalpel

Bitches getting vicious when I tell them who the sight's
on

Got these girls runnin' like roaches with the lights on

[Hook 1]

They been on that groupie shit

But we been on that Gucci shit

Apple cherry coochie cliq (mm hmm yeah)

Y'all be swearing you the shit,

But y'all be sharing shoes and shit

Cool it bitch

Yeah, we ain't even paid for (paid for, paid for)

[Chorus]

Cause I can't entertain you

I got nothing to say to ya

But I don't even blame you

If I was you I'd hate to

Y'all can't even fuck with us, can't even fuck with us

(2x)

[Verse 2]

These bitches fading, they popping shit and they
hating cause we are

We the creme de la creme, all them other bitches H-to-
the-I-Ms

These niggas like her.they tryna get in her cypher but
he can't

Can't even roll texts with us, these niggas can't even
stand next to us, trust

That I seen these bros be

Tryna make ends meet, Pantene Pro-V

Tryna send beats to her, and he's hoping
He can get a 16, he can get me open, but uhm
I ain't fucking with these hipster niggas
These niggas really like sister niggas
You know them sweeter than a spritzer niggas?
I know nigga's prolly kissed a nigga, I know nigga's
prolly fucked a nigga
Anyway, it's the B-A-N-K
S to the niggas with that V-I-S-A
C-A-S-H, E-U-R-O
Put a couple commas in the Z-E-R-Os
Looking for the dollars for the C-O-I-Ns
You need to get enough for both me and my friends
Yeah, we more dimes than two bucks
But these niggas be up in the hood like Ku Klux
[Hook 2]
Puffing on that loose again
Puffing on that two for ten
All these niggas oodlin' noodlin', yeah yeah
Y'all niggas cool and shit, but all my bitches too legit
We are
[Chorus]
