VERSE 1

I hear it in the silence of the night
Filling every shadow with Your light
Be glorified, be glorified
I hear it in the song of those who seek
Your matchless worth, Your majesty
Be glorified, be glorified

CHORUS

We'll make it loud, let it be heard
Above the heavens, around the earth
We'll fill the nations with Heaven's sound
Be glorified, be glorified, we'll make it loud

VERSE 2

Everywhere Your Presence will be known

Your goodness and Your mercy will be shown
Be glorified, be glorified
Everywhere the lost are being found
Captured by Your cross, they're crying out
Be glorified, be glorified

BRIDGE

Let God arise, lift up Your heads, lift up your eyes
Let God arise, the King of glory enter in
Let God arise, lift up Your heads, lift up your eyes
Let God arise, the King of glory enter in
