"Who You Are"

I don't have to live in fear
Because of what Your love has done
Now that You are near I don't have to be alone
God of all the earth, You know my thoughts
You are all I need, You're my praise, my song

CHORUS

Because of who You are, I can live with hope
Knowing that You'll always be
God of all my dreams
Everything I want to be is found in You

Because of who You are, I can live with hope
Knowing that You'll always be
God of all my dreams
Everything I want to be is found in You

That's who You are, that's who You are
That's who You are, that's who You are
That's who You are, that's who You are
That's who You are, that's who You are
That's who You are, that's who You are

CHORUS

Because of who You are, I can live with hope
Knowing that You'll always be
God of all my dreams
Everything I want to be is found in You
Because of who You are, I can live with hope
Knowing that You'll always be
God of all my dreams
Everything I want to be is found in You
I can live, I can dream; You are all, all that I need
I can live, I can dream; You are all, all that I need
