

## Nonpoint "Back Up"

Visit "[Back Up](#)" on MotoLyrics.com

Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up

You got a bad attitude  
Comin' up from inside  
You better watch your mouth  
You got plenty to hide  
You come across so heavy you're a buck-o-five  
Better rest your fist and try to use your mind  
I'm not punkin' out  
I'm just movin' up  
Say your comments loud  
But try to back 'em up  
Keep your ass far away and stay with yourself  
Alone in a cage aggravate someone else

Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up

You in your baggy-ass jeans  
With your baggy-ass lip  
You 'bout to lose all your shit  
With the butt of my fist  
You better use your mind fast  
And bring your pressure down quick

'Cause you a feather weight fuckin' In this heavyweight  
clique  
You know karate  
Got a shiny gun in your hand  
Got a razor blade hat  
With a knife in the brim  
I ask you all the fuckin questions  
Don't be lookin at him  
Your own stupid answers got you What you are in,  
bitch!

Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up

No time spending on your thinking  
Because somethings really strange  
Don't care about the drinking  
Makes the voices go away  
'Cause they hear what I am thinking  
Let your ego get away  
Then you'll find that you are missing  
What could teach you every day

No time spending on your thinking  
Let frustrations get away  
I'm not holding it inside me  
I'll just let it bay  
What it wants to  
When it wants to  
Spontaneously  
How it happened with me

Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better back up

Wise up  
Because I'm fed up  
You better back up  
You better back up.  
You better back up.  
You better back up.

Wise up  
Because I'm fed up  
You better back up  
Wise up  
Because I'm fed up  
You better!
