Now your nightmare comes to life.

Dragged you down below
Down to the devils show
To be his guest forever
Peace of mind is less than never

Hate to twist your mind
But God ain't on your side
An old acquaintance severed
Burn the world your last endeavor

Flesh is burning
You can smell it in the air
Cause men like you have such an easy soul to
steal(steal)

So stand in line while they ink numbers in your head
Your now a slave until the end of time here

Nothing stops the madness turning, haunting, yearning
pull the trigger

You should have known
The price of evil
And it hurts to know that you belong here
Yeah
Oooooooh
It's your fucking nightmare
While your nightmare comes to life

Can't wake up in sweat
Cause it ain't over yet
Still dancing with your demons
Victim of your own creation

Beyond the will to fight
Where all that's wrong is right
Where hate don't need a reason
Loathing self-assassination

You've been lied to

Just to rape you of your sight
And now they have the nerve to tell you how to feel
(feel)

So sedated as they medicate your brain
And while you slowly go insane they tell ya
"Given with the best intentions, help you with your
complications"

You should have known
The price of evil
And it hurts to know that you belong here
Yeah
No one to call
Everybody to fear
Your tragic fate
Is looking so clear
Yeah
Oooooooh
It's your fucking nightmare

(Break)

(Maniacal laughter)
Fight (Fight!). not to fail (fail!)
Not to fall (fall!)
Or you'll end up like the others

Die (Die!), die again (die!)
Drenched in sin (sin!)
With no respect for another

Down (Down!), feel the fire (fire!)
Feel the hate (hate!)
Your pain is what we desire

Lost (Lost!), hit the wall (wall!)
Watch you crawl (crawl!)
Such a replaceable liar

And I know your hear their voices
Calling from above
And I know they may seem real
These signals of love
But our life's made up of choices
Some without appeal
They took for granted your soul
And it's ours now to steal

As your nightmare comes to life

You should have known
The price of evil
And it hurts to know that you belong here
Yea
No one to call
Everybody to fear
Your tragic fate
Is looking so clear
Yeah
Oooooooh
It's your fucking nightmare
