No control of  
Nothing to hold  
Cant be sold by anyone  
Its everywhere  
Its stealing the air you breath  
No more wasting time i have to  
Move Now  
No more killing time  
I have to stop my hands from shaking  
Stop my time from wasting

What about you  
What about me  
Having control its everything  
Youre in my way  
Move Now  
What about you  
What about me  
Losing control of everything  
Show me the right way  
Move Now

No control of  
Nothing to hold  
Cant be sold by anyone  
Its everywhere  
Its stealing the air you breath  
No more dealing  
No more feeling  
Move Now  
No more tasting  
No more wasting  
All my time

Waiting for a bell

What about you  
What about me  
Having control its everything  
Youre in my way  
Move Now  
What about you

What about me  
Losing control of everything  
Show me the right way  
Move Now

No control  
I'm stuck in this  
Becoming my home  
No twenty-one guns  
Shot one by one  
Move Now  
Causes damage  
Takes advantage of me  
With no plan of action  
No twenty-one guns  
Shot one by one  
Move Now

What about you  
What about me  
Having control its everything  
Youre in my way  
Move Now  
What about you  
What about me  
Losing control is everything  
Show me the right way  
Move Now
