I am the last great victim
Back up

Split out of here
Get out of here

I am the only one, no one else
What do you gain

Split our of here
Get out of here

I am the last one,
I am the solitary one
If you don't understand

Split out of here
Get out of here

I don't even know you
Why are you staring
I'm gonna show you head on

RAGE
What do you want?
Who are you?
I am rage

I am the hurricane
Only one, no one else
You are no one to me
You want nothing for you
I know you understand

Split out of here
Get out of here

You want nothing for me
I want nothing for you either
I am the hurricane
You will be my victim
I know you understand

Split out of here
Get out of here

I don't even know you
Why are you staring?
Why are you fronting face to face?
I don't even know you
Why are you staring?
I'm gonna show you head on

RAGE
What do you want?
Who are you?
I am rage

I am the last great vicim
I am the only one, no one else
I am the hurricane
Only one, no one else
I know you understand

Split out of here
Get out of here

I don't even know you
Why are you staring?
Why are you fronting face to face

I don't even know you
Why are you staring?
I'm gonna show you head on

RAGE
What do you want?
Who are you?
I am rage.
