Verse Ia

Baby

Wait a minute

Took one look

Not known

Nothing in this world compares to you oh

A moment then a second

Is all I need for us to fall in love

If we can just fall in love

Rap I

Let me tell you no one can compete

This universe doesn't deserve to be up in your league

And no one truly knows what beautiful really means

When is more than a miracle just seeing you in my
dreams

We both know the you don't need to boast

No need to stand out

The kind that knows when to keep it low key

C'mon

Verse IIa

Something I gotta let you know

Baby you're just so beautiful

Chorus I

So amazing

So amazing yeah you are

What I've been looking for

Never seen a star so bright like this before

And I've been searching baby

Trust in me when I say that from here on out till always

Girl in this world there's nothing

I just wanna glimpse of your lovin' tonight

Oh oh

Nothing compares to you

Oh oh

Nothing compares to you

Oh oh

Nothing compares to you

Oh oh hmm

Nothing compares to you

Verse 1b

Baby know I mean it
When I say you and me there's
Something special here that feels so right
I can't deny that you're mine
Lady the one and only
That makes me wish I now was so in love
If we can just fall in love

Rap 11

Nothing compares to my baby
Truth about it maybe
Smile with style so wild it makes me crazy
If I don't feel you daily
Is all that it make me
Put my life on the line if that's where it takes me
Son who's the star girl
You're the brightest, fliest
Heaven looks up where the sky is

Verse 11b

Something I gotta let you know
Baby you're just so beautiful

Chorus 11

So amazing
So amazing yeah you are
What I've been looking for
Never seen a star so bright like this before
And I've been searching baby
Trust in me when I say that from here on out til always
Girl in this world there's nothing
I just wanna glimpse of your lovin tonight
Oh oh
Nothing compares to you
Oh oh
Nothing compares to you
Oh oh
Nothing compares to you
Oh oh hmm
Nothing compares to you

Bridge

Affections can't compare from your feet to your hair
From the way your stare baby girl there's nothing
Nothing nothing nothing oh
I sit back here and think for the rest of my years
But it oh so clear that there is nothing
Nothing nothing nothing
Nothing compares to u

Chorus III
