B2K

I got everything I want in my life except a girlfriend

Woo..

Ah, B2K

Just copped a Bentley and it's parked in my garage

At 2 o'clock I'm pullin in for my massage

And everywhere we go they know just who we are

There they go it's them ghetto superstars

The latest throwback and them 1's on my feet

Get out the Benz and I'm off up in the Jeep

Takin flicks with chicks that look 'Licia Keys

All of that I'm still missing one thing

(Chorus)

Girlfriend, girlfriend

(Everything I want ina..)

I need a girlfriend, girlfriend

(And everything that I..)

A girlfriend, girlfriend

(Would you be my..)

Would you be my girlfriend, girlfriend?

We hit the mall and buy up all the Nike suits

I'm bein pampered while I'm chillin by the pool

From the shore, to the limo, to the club

Hands in the air showin nothin but some love

Got plenty cloths, plenty ice, plenty cash

I'm pretty swoll, pretty abs, plenty shhh

I got every single thing that I need

Except for a main squeeze

(Chorus)

I need a..

Girlfriend, girlfriend

I need a girlfriend, girlfriend

(I need, I need..)

A girlfriend, girlfriend

(Would you be my..)

Would you be my girlfriend, girlfriend?

(Check 1,2 alright alright we got B2K up in this piece)
Tell me who's gonna be my girlfriend?
(And we need all the ladies out there lookin for a nice
fella
to get up out yall seats)
And who out there needs a real man?
(Put your hands up uh)
And who's gonna ride or die with me?
(Who?s gonna be that ride or die chick for me tonight
uh)
Who?s gonna give B2K what they need?

(LiL Fizz)
I need a thick with big hips that?s just my motivation
No more game preparation, this is pimperation
She must be ready and steady for a grown man
session
I?m talkin willin to learn a LiL Fizz lesson
Now she plannin it again and now we arguin
Talkin girls talk mess and tellin all her friends
But I seen this new chick tonight
And Imma make her my girlfriend
My girlfriend

(Chorus)
I need a..
Girlfriend, girlfriend
(Someone for me..)
I need a girlfriend, girlfriend
(That is all I need..)
A girlfriend, girlfriend
(In my life..)
Would you be my girlfriend, girlfriend?

I need a..
Girlfriend, girlfriend
(Someone to call my own..)
I need a girlfriend, girlfriend
(Spend some money on..)
(And I?m gonna take her out..)
