Santa baby

Santa baby

Santa baby, slip a sable under the tree for me

Been an awful good girl

Santa baby, and hurry down the chimney tonight

Santa baby, a '54 convertible too light blue

I'll wait up for you, dear

Santa baby, and hurry down the chimney tonight

Think of all the fun I've missed

Think of all the fellas that I haven't kissed

Next year I'll be oh so good

If you'll check off my Christmas list

Santa honey, I want a yacht and really that's not a lot

Been an angel all year

Santa Baby, and hurry down the chimney tonight

Santa cutie, there's one little thing I really need the
deed

To a platinum mine

Santa cutie, and hurry down the chimney tonight

Santa baby, fill my sacking with a rolex and checks

Sign your "x" on the line

Santa baby, and hurry down the chimney tonight

(Da da da da over verse)

Come and trim my Christmas tree

With some decorations bought at Tif-fa-nys

I really do believe in you

Let's see if you believe in me

Santa Baby, I forgot to mention one little thing the ring

I don't mean on the phone

Santa Baby, and hurry down the chimney tonight

Hurry down the chimney tonight
