Hey yo, on the west coast  
You all know that dude with the black boots, red suit  
Ya he comin' through  
Ya'll better be good or you ain't gonna see Santa in  
your hood  
Uh  
What  
Yeah  
Ya'll better put your attitudes together

[Chorus:]  
You better watch out  
You better not cry  
You better not pout  
I'm telling you why  
Santa Claus is coming to town  
He's making a list  
And checking it twice  
Gonna find out who's naughty or nice  
Santa Claus is coming to town

[Bridge:]  
He knows when you are sleeping  
He knows when you're awake  
He knows when you've been bad or good  
So be good for goodness sake

[Repeat chorus]

[Verse:]  
Little tin horns  
And little toy drums  
A rooty-toot-toot  
And a rumpa-bum-bum  
Santa Claus is coming to town

[Bridge 2:]  
The kids and girls in boyland  
Will have a jubilee  
They're going to build a toyland  
All around the Christmas tree

[Repeat chorus]

[Fizz's Rap]

I hit Santa on two-way  
To see if he coming through-ay  
He hit me back with a message  
Yo I'm stuck in St.Louis  
He says  
Be patient Fizz  
I'll be on my way  
Two seconds later I hear this fool  
Coming down my chim-a-ney  
What happened to Rudolph  
You not cool with him no more  
Man that fool old and slow  
Had to take the '64  
Anyway, here's your ice  
Where my ride  
Outside  
Where's my dime  
My bad dog  
Yo I got you next time  
FA SHO

[Repeat chorus]
