You keep trippin, you keep slippin

Acting like, you wanna get wit it

But cha wont get wit it, so get wit it

Naw

Ahh lets go

[verse #1 omarion]

How'd you get ya jeans so low (they)

Hanging on ya hips oh no (you)

Walking by me nice and slow (you)

Acting like you just don't know (that)

I've been watching all the time(you)

Bending over blowing minds (you be)

Dancing on me tryin' grind (but you)

Don't be giving up your time

[bridge jhene]

Shorty what's up,i'm just saying

Wanna hook up, I ain't playing

What cha gon do, I'm just waiting

Think I'm acting up, hey

[chorus]

She could claim she play games

But I bet she couldnt hang (not wit me)

Ooo she's a tease ooo

She be acting like she don't

But I know she really want (get wit me)

Ooo she's a tease ooo

[verse #2 omarion]

(you be) always sitting on my lap

(and uh) girl you can't be doing that

(if uh) you don't wanna deal wit me

(then ya) mind as well forget the tease

Calling me wit all that talk (and ya)

Working on that sexy walk (but if)

You ain't tryin' get wit me

Then you need to go leave it be

[bridge jhene]

Shorty what's up, I'm just saying

Wanna hook up, I ain't playing

What cha gon do, I'm just waiting

Think I'm acting up, hey

[chorus]

She could claim she play games

But I bet she couldn't hang (not wit me)

Ooo she's a tease ooo

She be acting like she don't

But I know she really want (get wit me)

Ooo she's a tease ooo

[rap romeo]

Stop it please

You's a tease

How a girl like you gon try to play me start doin ya thing
like this aint even me

Wasn't trippin when I was spending doe in frankies

Forget about you girl you should do me

Just let me touch I'll even cut

Girl I promise planters ain't got nothing on my nutz

Mess wit me you must have some kind of gutz

I'm not your normal dude

I'm one you can trust

There's gotta be a offer that you can't refuse

I'm told enough girl there's no way I can lose

When I got straight a's up in the pimp school

[bridge jhene]

Shorty what's up, I'm just saying

Wanna hook up, I ain't playing

What cha gon do, I'm just waiting

Think I'm acting up, hey

[chorus]

She could claim she play games

But I bet she wouldn't hang (not wit me)

Ooo she's a tease ooo

She be acting like she don't

When I know she really want (get wit me)

Ooo she's a tease ooo
