When you're wishper i can't hear
It's a sign you go so far
When no longer i feel you're love
I know it's time for me to go

Chorus :

I hope you find another heart
Like i love you every single day
I will pray for you, you will find you're love
Like i love you every part of me

When i far away from you
I hope someday you will understand
I realize this is the best for us
and, I know it's time for me to go

Back to Chorus 1x

Bridge :

When you're tears falling down
Call my name and i will be you're side tonight
When you don't have a strenght
Call my name and i'll be standing by you're side
