A little boy in a village  
The village full of legends and myths  
He wanted to be someone  
A hero of amazing stories  
He went to his grandpa shaman  
Who wiped his lovely little tears  
He said "oh, boy, I know the courage in your heart,  
'cause I've been watching you for years  
Watching you for years"

The snow has fallen down on the ground so fertile  
A seed has hidden inside to survive  
And people started to tell ancient stories  
Of a woman-seal and water life  
The boy was sitting in the darkest corner  
A shelter for his deeply hidden fear  
"There are so many different gods,  
There are so many different stars  
Will there be a place for me?  
Will there be a place for me?"

Days will come and go  
You will take them all  
Tears are in your eyes  
yes, you are the Sun  
Hopes and mysteries  
All daily routines  
Circle in your life  
Yes, you are the Sun  
Yes, you are the Sun

The boy felt anger with his inner weakness  
That made him feel great pain and jealousy  
He asked his grandma shaman  
"Is it a shame for a hero  
To feel such a stupid feeling?"  
And she said  
"It's all right  
And when you feel it again  
It's all right  
It's O.K.  
And you feel it again"

It's O.K  
All right.

~cause  
Days will come and go  
You will take them all  
Tears are in your eyes  
Yes, you are the Sun  
Falls and mysteries  
All daily routines  
Circle in your life  
Yes, you are the Sun  
Yes, you are the Sun

And it's absolutely crazy  
Unexplainable  
But I saw him standing facing the ocean  
Talking to waves like a friend or madman

And it's absolutely crazy  
Unbelievable  
But I saw him standing facing the ocean  
Raising the waves with his hands  
As he believed he could
