"Don't go far away"  
You say, but  
when I say  
"How about we go together?"

-----

-----

Well, I know that it's early  
And it's too hard to think.  
And the broken empty bottles  
Are reminder in the sink.  
But I thought that I should tell you  
If it's not to late to say.  
I can put back all the pieces  
They just might not fit the same.

Cause nothing's worth losing  
Especially the chance to make it right.

And I know that we're gonna be fine.  
And the tattooed mistakes  
Are gonna fade over time.  
As long as we live, time passes by.  
And we won't get it back when we die.

Well I know it's been years now  
And I don't look the same.  
And the hopes and dreams you had for me  
You thought went down the drain.  
And the room feels so empty  
where my pictures used to be.  
And I can't say that I blame you,  
But you can't blame me.

Cause nothing's worth losing  
Especially the chance to make it right.

And I know that we're gonna be fine.  
And the tattooed mistakes  
Are gonna fade over time.  
As long as we live, time passes by.  
And we won't get it back when we die.

When i think about rain  
i think about singing  
when i think about singing  
its a heavenly tune  
when i think about heaven  
i think about angels  
when i think about angels  
i think about you
