Morning after pills couldn't kill these skills
Johnny willz music that be the movement
3rd degree and Johnny willz the n*gga's that I

Came to the game fresh out am a student

Never moved coke so I've never seen a kilo
But I know how the keys go

Well I'm a product of the people
Love these n*gga's from my town no homo
Used to be ride or die now we yell yolo
Never been involved never drove in a Volvo
Had to leave the group cause am better off solo

Is that the team u in the aint rapping gang?
I turn a good girl bad nigga bobby brown
R.I.P to realest niggas James brown
Stuck between a rock and a hard place
Diamond rocks leaning on a hard Benz
