Verse:

Still got ur photograph in my pocket
Reminding me
of everything I wanted
Still got ur t-shirt
lying on my bed,
wishing I could forget,
all the times that we shared.

Bridge:

Tell me how im supposed to deal,
With thought of u not being here.
So tell me how im suppose feel.
Knowing what we had was so..... real

Hook:

And its so hard
taking a chance
cuz ur so far,
I dont wanna miss athing and
ill keep waiting
for something that ive never know (know)
cuz I dont wanna be in love alone.
