Somebody told you that I've been sleeping around  
because of this lie, you let somebody come along and  
tears us down  
so you've found yourself a brand new lover but you  
didn't let me know  
I found out and started going crazy so I had to let you  
go.

*[chorus]*

I can't stand this living alone  
don't want to come back cause I did you wrong  
(not sure)  
if your what love sent in for the first storm  
darling I love you let me come back home.

I can't stand this living alone  
don't want to come back home cause I did you wrong  
(not sure)  
if your what love sent in for the first storm  
darling I love you let me come back home.

*[verse two]*

Baby I'm the fool but darling you let me down.  
I know I was wrong for not trusting you, but lady now  
I'm the clown  
but wasn't I there when your whole damn family turned  
their back on you  
I was nothing on the day I found you and I'm even less  
not that I don't have you.

*[chorus]*

*[bridge]*

Why didn't you come and talk to me we could have  
worked things out  
after all the things we've been through  
tell me what I'm I suppose to do.  
(now that you have gone away) I never gave you a  
reason to doubt it  
all I know is I can't live without it

(no,no,no, won't you come home)  
(I love you sooooooooooooo)
