You say the only man in your life, that's me  
Who pays your bills and give you money, that's me  
When you need your hair done, who do you come see

Been coming home late every night, around 3  
I'm just trying to figure out, where do you be  
We ain't been making love  
This don't seem right to me cuz baby?

1 - I know, all about your late night creep  
I know, the guy up in the club that your seeing?  
I know, you ain't been out with your crew  
Cuz they've been ringing my phone for you

I know, all about your late night creep  
I know, the hotel that you're in with him  
I know, you ain't been out with your crew  
Cuz they've been ringing my phone for you  
I know

Don't try to say a word or try to explain  
Don't try to tell me you won't do it again  
I don't wanna even try?  
Baby you know I'm through

Leave the keys to the house and the car, I'm done  
Can't believe I thought I was your only one  
I don't wanna see you again  
Get out, you're dismissed cuz I don't want you?

Repeat 1

If luck appears  
You insists on playing games  
I know that you can just be for the fame  
I didn't see it coming so why the pain (Why)  
I thought that you would never fly  
So how you make me think I was your only guy  
I'm not a fool  
Now my eyes are open wide

2 - I know about the guys and the late night creeps  
And how you did your thing in between the sheets  
They talk about you around town  
And how you been messing around

I know about your girls and the whole damn crew  
The guy that you took for a rendezvous  
I thought your heart was true  
And now I'm not messin' with you

Repeat 1

Repeat 1

Repeat 2
