All my life I prey for someone like you and I thank God  
that I... that I finally found all my life I prey for someone  
like you and I hope that you feel the same way too

[Verse 1: Trubb]

I'm way too cool for love; love is for scrubs or maby I  
just feel that way cause I ain't found the one trubb you  
way too picky you can't never decide but I need more  
than a girlfreind I wanna ride or die I need some body  
faithful I can't deal with no creeper I just want the love  
amber rose and wiz khalifa baby don't break my heart  
man I thought you was a keeper I could'ntdeal with the  
pain so I turned to the reffer pain so deep I didn't thank  
that I could deal through I got so much to give but  
nobody to give to and when I find the right one that's  
who I'm a change and rip my players car up and burn it  
into flames I might mess with fast girls but that ain't  
what I like I like them girls with a's and b's yeah that  
wifey type we hit the mall and buy jordans and wear  
matchin trues she my girlfreind and my bestfreind too
