Intro:

its your boy friend bangin ehn

wole wole mabo (gee gee gee family)

wole wole mabo wa, (tripple w)

wole wole wole bo, wawo omode yi

Verse one:

you the finnest girl, have ever seen on my way

your body motion can kill, your cat walk no delay

na you every guy want to follow and take away

eyiwunmi oooooo, how i wish you can bami dele

oh hu oh oh hu oh oh hu oh ha

(i love you) i no get liver to near you

(i care)fear no let me to tell you

pretty girl in my neighbour hood

pretty smile how i wish i could

if to say i be harmed rubber

na to steal carry her away

Chorus:

omode yi omode

the way you dey make me go

omode yi omode yi omode yi

you dey make this man go gaga

omode yi omode yi omode yi

the way you dey do me so

omode yi omode yi omode yi

you dey poor man craze o

Verse 2:

i dont know oh oh, if money go buy you

i dont know oh oh if my level go size you

but i wish how i wish, girl i wish to have you

girl i wish, how i wish, one day my trap go catch you

i dey hope, i dey pray to be you man

let the music play, while we do the dance

am ready to flex you up, anywhere you want to chop

agbajowo lemi tire, jeka joma fi soya

Chorus:

omode yi omode

the way you dey make me go

omode yi omode yi omode yi

you dey make this man go gaga

omode yi omode yi omode yi

the way you dey do me so

omode yi omode yi omode yi

you dey poor man craze o

see the feeling wey i get for you onside i say na true

and i promise never to call yellow for you say na blue

i know you feel the same way too

anything you ask me girl i do

na only you i no go marry tow

for better for worse i will say i do
you smile dey make me smile ooo
e dey make me smile
your beauty dey make me smile oo
without you i say na die
since you promise to stay
i promise you not to let you go away eh eh

Chorus:
omode yi omode

the way you dey make me go
omode yi omode yi omode yi
you dey make this man go gaga
omode yi omode yi omode yi
the way you dey do me so
omode yi omode yi omode yi
you dey poor man craze o
