Hey girl, it's been a while since I felt alone
But when we met, you made me
feel like you were always there
And now...I'm spinning..
Baby, I don't know if you wanna be my girl
I'm going crazy, to the point of no return for you

Oh, oh oh
yeah..yeah yeah
Oh, oh oh
yeah..yeah yeah
Oh, oh oh
yeah..yeah yeah
Oh, oh oh
Ooh Ooh

I had went out that late night Was checking
the clubs and then I bumped into you
I saw you This girl so pretty and fine
Was all in my mind just how to get with you
Only thing that was in my head was leaving
the club and be in bed with you
We took it back to my room
And we just made love and you were gone so soon
Baby baby you
Can't get you off my mind
Just this one time
Baby baby,baby,you
Just want you here with me up close tonight
We, was never in my mind til I met you
Baby baby baby you
I need you now eternally
Baby gonna get you going crazy
Just wanna make you scream
Get on me
And you won' tstop â€˜till dawn
Come on let's just go on and on
Baby, I wanna keep you going, sexy
As you brush your lips along me
I'm so gone
And I can't stop to think back,
Just touching you there and ooh it felts so good

like that
Can't give you up just like that
You're all on my mind
I can't go on without you
Everytime you pull yourself back
Just pulling you in will make you feel damn good
I'll be right just on track
Would do anything to make you come back
Baby baby you
Can't get you off my mind
You're oh so fine
Baby baby baby you
Just want you here with me up close tonight
We, was never in my mind til I met you
Baby baby baby you
I need you now eternally
Baby gonna get you going crazy
Just wanna make you scream
Get on me
And you won't stop 'till dawn
Come on let's just go on and on
Baby, I wanna keep you going sexy
As you brush your lips along me
I'm sogone
Gotta let me show to you
You'll be my only little
Baby, that will be right
No way you used to will be tonight
In my arms only, cuddling with me
Girl, I just wanna make it me and you
And when I put you on my lonely bed
So many ways to get you up and gone
So let me give it to you
To you, to you, to you
yeah, yeah, yeah! baby
oh, oh, oh,
So let me give it to you,
yeah, yeah, yeah, yeah
yeah, yeah, yeah, yeah
So let me give it to you, baby
Ooh ooh
