Your so Hard to Understand
You have Different Plans.
Your One,I'll Remember
Your One,I can't Forget
How your Refection,became
Cold Rejection.
No Sweet Talken Words,the Ones I've already Heard.
No Sweet Warm Embrace- oH Darling What a Slap in the
Face & You've Nothing to Say - But Your Eyes Gives it
all away.
Your one,I'll Remember
Your one,I can't Forget
How your Affection became
Cold Rejection
Hope it's Worth,All the No Shows -
You Saying No-ooh,Sad you Let Go of what We Had. It's
too Late Your Affection took another Direction,-leaving
Me True Rejection,Feeling of Hate- OH Baby it's to Late.
You,See Me Passing by,remember
Your Rejection,- Destroyed
Our True Affection.
You Just Let it Pass You by.
Your One,I Remember
Your One, I can't Forget
How Your Affection, became Cold
Hard Rejection.
