instrumental intro

Sun take my pain today
Give the devil back his heart
Do not pray for us
We are not sleeping while the others are sleepin'

Every bone I beg
Every cup is shone
Every bottle
Baby don't be that way

Every talk of the town
Every Julius
Every moth heading towards a flame

Psalm One Hundred and Twenty One
Is that my son comin' over the hillside?

Fine o pray for us
We are not sleeping while the others are sleeping

Every bone I beg
Every cup is shone
Every bottle
Baby don't be that way

Every dog on the prowl
Every Tiberious
Every moth heading towards a flame

mmm mm mm
mmm mm mm
ohhh

Sun take my pain to the East
Cause the day I made my frown

Final prayer for us
Oh he's sleepin'
The devil is sleepin'

Give the devil back his heart
Give the devil back his heart
Give the devil back his heart
Give the devil back his heart

oh oh oh oh
oh oh oh oh
